Master of Audiology Studies (MAudSt)

The Graduate Entry Master of Audiology Studies Program produces graduates with the conceptual base and skills necessary for entry level employment in the clinical practice of Audiology. Basic and clinical sciences are combined with professional experience to equip graduates to play a professional role in hearing healthcare.

Information is valid for students commencing in 2011 (February/March 2011)

At a Glance
Duration: 2 year(s) full-time
Commencing Semester: Semester 1
Campus: St Lucia
Delivery Mode: Internal
Faculty: Health Sciences
Program Code: 5145
Total units: 32

Program Description:
This graduate entry program:
• is completed over 2 years full time,
• provides students direct entry into the profession of Audiology upon graduation,
• offers a learning environment and has assessment requirements designed to facilitate the advanced learning appropriate for a Masters level program,
• focuses on the integration of theoretical knowledge and clinical skills,
• includes clinical practicum that focus on paediatric and adult assessment and rehabilitation.

Selection Criteria
To enrol a student must:
• hold a Bachelor’s degree from a variety of ‘relevant’ fields such as health, education, social, biological or physical sciences, or humanities. If the degree is not deemed ‘relevant’, an applicant may undertake a further full-time semester (or the part-time equivalent) of relevant tertiary study to meet this criterion. An applicant whose most recently awarded bachelor’s degree was awarded more than 10 years ago will not be considered unless the applicant has subsequently completed a postgraduate program or provides evidence of other tertiary academic activity; and
• have obtained a Grade Point Average (GPA) of at least 4 in their most recently completed university undergraduate degree.

Note: Once prerequisites are met, entry is via a competitive selection process based on Grade Point Average (GPA).

Applications
Applications for this program close on 30th September in the preceding year.

Financial Assistance
There is a loans scheme, FEE-HELP, available through the Commonwealth, for domestic Australian students to allow them to defer payment of their fees. The Commonwealth pays the FEE-HELP loan directly to the student’s provider. For more information see website – www.goingtuni.gov.au/

Government assistance (e.g. Austudy or Youth Allowance) with living expenses is now available while studying this Masters level program. All enquiries regarding eligibility should be addressed to your local Centrelink office. Government assistance is not available to international students
